I get up at six forty-five in the morning, and then I get dressed at seven o'clock. At seven fifteen, I have breakfast. I usually have an over easy egg and milk for breakfast. I brush my teeth after breakfast. I go to school at seven thirty. The school is near my home, so I go to school on foot. My lessons start at eight o'clock. I like music because I am good at singing. I don't like math because it's difficult. I eat lunch at school at noon. I finish school at three o'clock and go home.

I have dinner with my family at six thirty. In the evening, I do my homework and relax. I play chess, watch TV and play computer games. I go to bed at eight o'clock. I read a school book in bed. I fall asleep at nine o'clock.
