M: She is my new classmate.
W: Is she Taiwanese?
M: No, she is Japanese. She comes here for learning Chinese. She is so interested in Chinese culture.
Q: Where is the girl in the blue coat from?
22. M: How was your school play yesterday, Jasmine?
W: Oh... it was terrible. I practiced a lot before the play, but my mind went blank when I was on the stage. I couldn't even remember a word!
M: That's too bad. Maybe you were too nervous. Well, how about trying harder next time? I believe you can make it.
W: Okay, I will.
Q: How was the school play for the woman yesterday?
23. M: Whose cellphone is on the motorcycle?
W: It belongs to my younger sister, Judy. She forgot to bring it to school. It happens a lot!

24. M: Have you picked your classes for the next two years?
W: Not yet, but I know what I'm doing. I always save the best for last. I'll do the difficult classes in the first year, and the classes I like the most in the second.

- M: So what will you choose?
W: I'll take Chinese and history in the first year, and then science and math in the second year.

28. M: How was your trip to France?
W: Well, most of the time was good except having meals.
