Elaine's Diary

November 23rd, Sunday

Today, Derrick asked me for a date, and we had dinner in Mr. K. I was so happy to see him!

There was no spaghetti or steak in Mr. K., but I still couldn't make a choice at first because all the food on the menu looked so delicious. Derrick ordered the steamed dumplings and beef noodles. They both tasted good, and the steamed dumplings went well with the special soy sauce!

After we had dinner, an embarrassing thing happened. I left my wallet on the bus! But Derrick said, "Don't worry. It's on me!" Then I told him, "Thank you so much! I will pay for the movie tickets in return if we go out next week." Then he said, "No problem! Wow, we will see each other soon!"

Today is a lucky day for me though I got wet because of the heavy rain. I must have a good sleep tonight!
