

Class: 四年 \_\_\_\_ 班

Number 號碼: \_\_\_\_\_

Name 姓名: \_\_\_\_\_

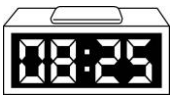

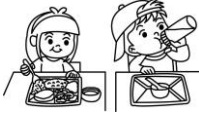

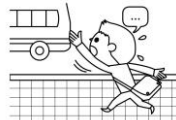

一、Listen and Check 仔細聽，勾選正確的發音例字 (每題 1 分，共 8 分)

- |                                 |                                  |                                 |                                 |                                 |                                  |                                  |                                  |
|---------------------------------|----------------------------------|---------------------------------|---------------------------------|---------------------------------|----------------------------------|----------------------------------|----------------------------------|
| 1. <input type="checkbox"/> met | 2. <input type="checkbox"/> kite | 3. <input type="checkbox"/> cap | 4. <input type="checkbox"/> pet | 5. <input type="checkbox"/> win | 6. <input type="checkbox"/> seme | 7. <input type="checkbox"/> fete | 8. <input type="checkbox"/> step |
| <input type="checkbox"/> mete   | <input type="checkbox"/> kit     | <input type="checkbox"/> cop    | <input type="checkbox"/> Pete   | <input type="checkbox"/> wine   | <input type="checkbox"/> same    | <input type="checkbox"/> fate    | <input type="checkbox"/> Steve   |

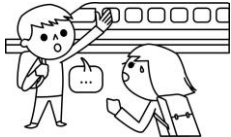

二、Listen and Choose 仔細聽，選出正確的音組 (每題 1 分，共 8 分)

- |         |         |          |         |         |          |         |         |
|---------|---------|----------|---------|---------|----------|---------|---------|
| 1. ( )  | 2. ( )  | 3. ( )   | 4. ( )  | 5. ( )  | 6. ( )   | 7. ( )  | 8. ( )  |
| t _____ | h _____ | th _____ | f _____ | p _____ | th _____ | h _____ | b _____ |
| Ⓐ ene   | Ⓐ ive   | Ⓐ em     | Ⓐ ate   | Ⓐ it    | Ⓐ is     | Ⓐ id    | Ⓐ it    |
| Ⓑ an    | Ⓑ ave   | Ⓑ eme    | Ⓑ it    | Ⓑ at    | Ⓑ ese    | Ⓑ ide   | Ⓑ ite   |

三、Listen and Mark 仔細聽，錄音內容和圖片相符畫○，不符畫× (每題 2 分，共 12 分)

- |                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                     |                                                                                     |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| 1. ( )                                                                            | 2. ( )                                                                            | 3. ( )                                                                            | 4. ( )                                                                            | 5. ( )                                                                              | 6. ( )                                                                              |
|  |  |  |  |  |  |

四、Listen and Choose 仔細聽，選出正確的句子代號 (每題 2 分，共 12 分)

- |                                                                                     |                                                                                     |                                                                                     |                                                                                      |                                                                                       |                                                                                       |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| 1. ( )                                                                              | 2. ( )                                                                              | 3. ( )                                                                              | 4. ( )                                                                               | 5. ( )                                                                                | 6. ( )                                                                                |
|  |  |  |  |  |  |

五、單字 (每題 2 分，共 16 分)

- |                                                                                        |       |                                                                                         |       |
|----------------------------------------------------------------------------------------|-------|-----------------------------------------------------------------------------------------|-------|
| 1.  | 2. 35 | 3.  | 4. 22 |
| 5.  | 6. 44 | 7.  | 8. 12 |

六、重組 (每題 2 分，共 8 分)

1. / some / Let's / fun / . / have /  
 \_\_\_\_\_  
 \_\_\_\_\_
