Let Your Food Cook Itself!

Do you live in a busy lifestyle? Are you often tired after a long day's work? No energy left to cook dinner? Wouldn't it be great if food was just there... ready to eat whenever you got home? With our Slow Cooker 9000, now it can be!

It's Super Safe!

The Slow Cooker 9000 works just like the name says : slowly. Our cooker has a ceramic pot and metal heating base. The ceramic pot gets slowly heated by the metal base and cooks the food evenly. The food is not directly over fire, so it doesn't burn.

Perfect Meals Every Time!

Want a great meal? Just put some sauce, meat, vegetables, and water in the pot. Then turn the Slow Cooker 9000 on, and set the timer. That's it! Your food will be cooked slowly during the day and will be juicy and delicious when

you get home.

Order one of our cookers today and get a Japanese knife set for free!
