Hi, Uncle Danny,

How are you doing there? We are junior high school students now. Our school is so cool. There is a beautiful lake. The boys love to play around the lake, and the girls love to walk and chat around it. We really enjoy our school life here.

Thank you for the English storybooks. We want to read them every day, but we can't. We have tests, and we can only read your storybooks on weekends. Some words in the books are hard for us, but we really love reading them. We can learn new words from the books. The stories are so great, and we have a lot of thoughts about them. Our favorite story is *The Quiet Museum*. Do you like it, too?

By the way, do you remember our pet dog, Lucky? He can listen to us and sit down or stand up now. He can catch a ball, too. Isn't he cool? Please come to see Lucky and us next year. We miss you!
