Some students don't want to wear uniforms because they don't think uniforms are beautiful. They don't want to wear the same clothes as others. If they wear their own clothes, they can look special and more beautiful or handsome. Some students think wearing uniforms is great. First, they don't have to worry about which clothes they should wear to school. Second, their parents don't need to buy so many clothes for them. Third, others will know they are students when they wear uniforms. At school, teachers can know if strangers get into their school.
